

Notice to Policyholders

Following a product review, with effect from your renewal, there are changes to the policy wording. This notice summarises these changes.

Whilst this notice summarises the changes to your terms and conditions, you should read the corresponding new or amended terms and conditions in your policy wording, taking into consideration the other terms and conditions of your insurance contract. This notice is merely to highlight the parts of your wording you may wish to review.

This notice is not part of your insurance contract. To understand the full terms and conditions of your insurance you should carefully read in full the policy wording and your Schedule.

Where we have made changes to policy endorsements, those changes will not be mentioned here and you should review any endorsements in your Schedule.
